STOCKPORT
MARKET

Get ready for a day that's bursting with festive sparkle, street magic and spectacular surprises.

Keep your eyes out for giant carnival bees, stilt-walking Christmas Belles, bouncing snowmen, cocky robins, comedy chefs, roaming bands and so much more!

1. MERSEYWAY

At Merseyway, the festive fun is larger than life (literally!) with giant puppets parading through the crowds, bouncing snowmen and cocky robins ready to ruffle a few feathers. Look out for skiing performers gliding by without a snowflake in sight, dancing robots bringing the boogie, somersaulting bell boys and comedy waiters dishing out laughter by the plateful. Plus, visitors can enjoy a special live illustration session with local artist Emily Flanagan, bringing festive creativity to life before your eyes.

2. STOCKPORT MARKET & MARKET PLACE

Things will be cooking up nicely at Stockport Market and Market Place, where you can expect a delicious mix of music and marvellous mischief as the Half Naked Chef serves up a comedy act that's truly half-baked - in the best possible way! Keep your eyes buzzing for bees bringing a buzz of street theatre to the streets, while Mr Wilson's Second Liners and other musical performers will bring bold, brassy beats and festive flair.

A LITTLE NOTE: Dependent on the weather, some performers may flutter, jingle or stroll to new locations during the day or make an appearance at different times. Times and locations were correct at the time of print, but wherever you are, you'll never be far from the fun!

WHAT'S ON

3. THE UNDERBANKS

Step into The Underbanks where creativity takes centre stage and the beats don't miss a step! Get ready for dancing robots, street theatre and the Miniscule of Sound - the world's smallest nightclub! It may be tiny in size, but it's massive in personality!

4. WARREN STREET

Follow the music and you'll find yourself on Warren Street, where the air jingles with music and cheer. Expect feel-good tunes, joyful performances and plenty of singalong moments. Stockport's talented Ohana Theatre will be taking centre stage with a series of unmissable performances bursting with local talent.

5. SUFFRAGETTE SQUARE

The beat goes on at Suffragette Square at Redrock where the atmosphere is sky-high and the vibes are even higher! Stilt walkers will be towering above the crowds adding a touch of magic to every step, alongside dancing robots and live music.
